Details of proposed short term mission including location, duration and supporting Church/organisation

Recommendation and signature of home Church Elder

The Trustees of NLC and Avail have set aside funds to assist in short term mission for 18-30 year old applicants as we are committed to supporting and encouraging young people involved in the furtherance of the Gospel. This is a central theme of both our on-going Mission Statements. Applications will be considered by Trustees of both Charities and decisions made within the parameters of available funding at the time of submission. Decisions are at the discretion of the Trustees and shall be final.

The only requirement of funding is that successful applicants report back at NLC as part of the Wednesday missionary morning in the year after the Mission is undertaken. This will be very low key based on a question and answer interview as part of a group of others having undertaken similar mission visits.

Completed applications should be submitted via e-mail to bookings@newlifeconference.co.uk
